Lithgow High School
Promoting Excellence In A Caring Educational Environment

Welcome to Lithgow High School

Please note: Year 7 Orientation Day is on <u>Tuesday 1st December</u> 2020

Lithgow High School would like to take this opportunity to welcome students, parents and carers of Year 7 2021.

As we join in this journey together over the next six years, our commitment is to provide the best possible teaching and learning experiences for your children. We provide **opportunities for everyone** by encouraging each of our students to give their best in every aspect of school life.

You have chosen a fine, inclusive community school with a proud reputation and high expectations for student participation, achievement and success. We strongly believe in positive behaviour for learning: ***Respectful, Responsible, Safe Learners.*** Over the next few years we will be entering an exciting time together with various new programs implemented throughout the school, upgraded facilities and closer links with TAFE and the Charles Sturt University enhancing our students' learning opportunities.

We invite families to become involved within the school, participation in both learning experiences and in the broader school life. Your support can only enhance your students' learning.

We look forward to getting to know your child in the forthcoming years and hope to celebrate together the many successes of their secondary schooling at Lithgow High.

Kindest Regards,

Sam Luchetti
COMMUNITY LIAISON OFFICER

Karin Mawhood
PRINCIPAL RELIEVING
