Parent Nomination Form

Name of Applicant: _____

The enrichment class focuses on challenging and extending students. It is taught by a team of teachers (in core subjects) whose brief is to develop independent learning skills and engagement with learning. The teaching team will regularly review student progress to ensure that the aims of the class, and the needs of students, are being met. This class is not designed to grade students on ability. Rather, it is concerned with learning styles.

1. Does your child enjoy addressing challenging tasks? YES / NO / UNSURE
2. Does your child like to work cooperatively with other students YES / NO / UNSURE
3. Does your child like to read for pleasure? YES / NO / UNSURE
What has your child read for pleasure in the last two weeks? a) _____
