

Welcome to Lithgow High School

Please note: Year 7 Orientation Day is on Tuesday 19th November 2024

We are excited to welcome you to Lithgow High School as your child begins their secondary education journey with us. At Lithgow High, we are committed to being **"in pursuit of excellence for all,"** ensuring every student has the opportunity to thrive and succeed in every aspect of school life.

Our school is proud to be an inclusive community with a strong reputation for fostering participation, achievement, and personal growth. We maintain high expectations and embrace the values of **Positive Behaviour for Learning: being Safe, Respectful, Responsible, Learners.**

The years ahead will bring exciting developments. With new programs, upgraded facilities, and strengthened partnerships with local industries, TAFE, and universities, we are expanding opportunities to help students develop the skills and knowledge they need for future success.

We encourage families to actively engage in both their child's learning and the broader school community. Your involvement and support play a crucial role in enriching your child's educational experience and promoting their personal growth.

We look forward to building meaningful connections with your family, celebrating your child's achievements, and supporting them throughout their journey at Lithgow High.

Yours sincerely

Sam Luchetti
COMMUNITY LIAISON OFFICER
