## How Lithgow High School uses additional funding to support the learning of all students.

With the Federal Election fast approaching it is appropriate to explain how increased funding is being used to enhance learning of every student at Lithgow High School.

As a Regional High School with significant number of students enrolled in the bottom two quartiles of disadvantage – [above 70%], Lithgow High School receives large amounts of additional funding. The Gonski model also known as the Resource Allocation Model, provides additional funding based on the needs of the students actually enrolled in the school. Lithgow High School has received nearly \$800,000 in additional funding in 2016, across 5 loadings: equity loading, Rural and Remote Funding, low level adjustment for Disability and

for Aboriginal Students and those from backgrounds other than English.

This additional funding has been carefully targeted via our School Strategic Plan and in consultation with the community to lift the learning and participation of all students. The funding has allowed the school to hire additional Learning and Support Staff, Teacher's Aides, triple our student assistance budget , hire additional staff to support Aboriginal Students , roll out our BYOD Project, enhance Technology in classrooms, build regular Professional Learning for our staff, run Senior Tuition in the Library, purchase large software programs and other resources for students, pay for buses to excursions to ensure all can attend, run the Whole School Attendance Plan, develop Year 7 Teaching Teams and effective Transition Programs and begin targeted Social Skills Programs for students at risk.

**We need this to continue beyond 2016!**

# Anzac Day March

Lithgow High School was well represented this year's ANZAC day, with a large number of students choosing to represent our school in the ANZAC march and ceremony even with the day being at the end of the school holidays. Lithgow High School students could also be seen representing the Australian Air League and the Army Cadets. Our captains **Max Arkley-Smith** and **Keely Newham** spoke during the official ceremony.

A big thanks goes out to all the students and teachers who helped to make our school and the rest of Lithgow proud by marching on ANZAC day. We would also like to thank the students who marched in Wallerawang and Portland.

# DEPUTY PRINCIPAL

I have really enjoyed my time as relieving Principal over the last 8 weeks. I have had an opportunity to participate in a number of activities in and around the school that have been very positive. Over the last couple of weeks we have visited the local Primary schools with a team that consisted of student leaders from the current Year 7 group. They were great ambassadors for the school and presented on a range of information relevant to the Year 6 students. During a recent parent walk around the school I was amazed by the number of fantastic programs currently running in the school. As I moved from one building to the next I was able to discuss in detail the opportunities that Lithgow High School provides.

I look forward to Mrs Caro returning at the beginning of week 6.

## Leadership Opportunities

It is that time of the year when the election process for the 2016 - 2017 Student Leaders nomination and interviews are currently being conducted. At this stage we are in the process of accepting nominations for the current Year 11 who would like to be a Prefect. We have a huge number of highly skilled and effective candidates ready to take on the positions. Interviews with our current Captains and Prefects will be conducted in the coming weeks with an Assembly and Election that will take place at the end of term.

Over the coming weeks we will also be holding elections for the Student Representative Council, House Captains and Vice Captains and the current Year 7 Leadership Group. All groups will be ready to take up positions in Term 3.

I would also like to take the opportunity to thank the current Captains and Prefects and Leadership Teams for their work over the last 12 months. They have seen many changes and have always represented the school beautifully.

## Uniform

Again evidence has shown us that students not in correct uniform have a higher incidence of truancy...they are literally “dressed to truant”. It is so easy to pull off a school top with the long sleeve non-uniform top underneath, or put a non-uniform top over the school shirt when incorrect track pants are worn to school. While your child might be out of uniform, and not the type to truant, their lack of school uniform only encourages others. Please assist us in being a uniform school, to maintain a unified school image and combat truancy.

Students have a lot of choice in finding school uniform to their individual liking. The Uniform Shop is open 8.00am to 10.00am on Tuesdays and Thursdays. The school will not accept any logo except the school logo on articles of clothing worn as uniform. For the odd day when students are out of uniform, **a parental note must be provided to get a Uniform Pass from the Gate Pass desk at 8.45am each morning.**

## Year 10 Subject Selection

In Year 10 students are asked to select subjects for Years 11 and 12. Here are some tips to help your teen choose well.

## Japanese Student Visit

Lithgow High School will once again be hosting the Japanese Cultural Exchange. Our school endeavour to host approximately 20 Japanese students, this is after a very successful visit by students in 2015. The Japanese students will this year visit for 12 days from 26<sup>th</sup> July to the 5<sup>th</sup> August.

The visiting students will be hosted by families for their stay. During each school day they will attend Lithgow High School and participate in a range of activities at the school. In the evenings and on the weekend they will be with their host families. It is anticipated that in consultation with the host families some activities will be arranged for the students as a group but most their time out of school hours will be spent with host families.

The visit provides the opportunity for our students and their families to engage in a rich and enjoyable cultural exchange that benefits both the visitors and the hosts. The cultural exchange was one of the highlights of 2015.

**If families are interested in becoming a host to one of the Japanese students, please contact Sam Luchetti for further information on the school number 6352 1422**

# Parent Teacher Evening

## Years 7-12, Monday 27<sup>th</sup> & Wednesday 29<sup>th</sup> June.

On Monday 27<sup>th</sup> and Wednesday 29<sup>th</sup> June, (last week of Term 2), Lithgow High School will be hosting the first full Parent/Teacher evenings for 2016. The night will commence at 4.00pm and conclude at 7.00pm. The evening is for all years from Year 7 through to Year 12.

Parent/Carers who have provided their email addresses will have received a Millennium (our school records system) User/ID code and password via email recently. This username and password will enable you to log into the student/parent portal. You just use the word Lithgow for the school.

If you have provided your email address you are now able to access the Millennium system which allows parents to track absences, behaviour, access timetables, student notices, published reports and Year 11 and 12 Assessment Schedules. If you require further information please contact **Sam Luchetti** on the school number 63521422. Go to the website and login, it will become an invaluable tool in communication with parents.

Students have access to all of the above plus an online student diary.

Keep up to date with your child's progress through *Millennium*

# Athletics/Colour Run

Lithgow High are proud to announce the enormous success of our areas first colour run. The event was held on Thursday the 7<sup>th</sup> of April on the schools very own cross country track. The day began with a range of athletic events, followed by some teacher verses student events, then events such as the obstacle course before moving on to the much anticipated colour run. It was an amazing day for both students and teachers with dress ups galore. On behalf of all the students we would like to say a huge thank you to all involved in organising the day. From a Year 12 point of view it was a great way to have fun with those that mean a lot to us before the seriousness of the HSC fully kicks in. This event was definitely one of the most memorable school days we have experienced.

*Beth Flynn - Press Club*

## DEPUTY PRINCIPAL

A kindly reminder to all years that the Semester 1 reports are currently being written by teachers. It would be advantageous for all students' years 7-12 to submit all coursework and assessment tasks so that the school reports reflect students' true ability.

The subjects in a pattern of study to be offered at Lithgow High School during 2016 are currently being gathered by the staff. It would be ideal if students explored the options available to them from the NSW Board of Studies website: <http://www.boardofstudies.nsw.edu.au>

Stage 4 is Years 7 and 8

Stage 5 is Years 9 and 10

Stage 6 is Years 11 and 12 (Year 11 is often designated Preliminary and Year 12 HSC)

### Racism? No Way!

#### New Anti-Racism Contact Officers at LHS

The NSW Department of Education and Training rejects all forms of racism. It is committed to the elimination of racial discrimination - including direct and indirect racism, racial vilification and harassment.

Under the Anti-Racism Policy, schools are responsible for ensuring that all learning and working environments are free from discrimination and racism. To support this, schools must appoint an Anti-Racism Contact Officer (ARCO) and ensure that this person(s) is trained.

Lithgow High School is happy to announce that two staff members have been trained and appointed as active Anti-Racism Contact Officers. Ms Cases is the Year 7 Year Advisor and an English and Drama Teacher. Mrs Galloway has spent many years working with Aboriginal students, families and community members and is keen to support them in this role.

Mrs Galloway and Ms Cases are the teachers to speak to, to deal with appropriate responses to expressions of racism. These include, incidents of racial abuse, harassment and discrimination, and expressions of indirect racism, such as lack of recognition of cultural diversity and culturally biased practices.

As Lithgow High School's Anti-Racism Contact Officers, Ms Cases and Mrs Galloway have the following responsibilities:

1. receive the complaint or allegation regarding racism
2. assist the complainant to write the complaint, if required
3. advise the complainant of their rights and the process to be followed in lodging a complaint
4. refer the complaint to a member of the school executive who will be responsible for resolving the complaint

Remember that racism is destructive. It disempowers people by devaluing their identity. It destroys community cohesion and creates divisions in society. It is the opposite of the democratic principle of equality and the right of all people to be treated fairly.

# SRC - Biggest Morning Tea

Last week members of our SRC hosted "Lithgow High School's Biggest Morning Tea". The SRC team supplied all of the lovely goodies supporting the National Cancer fundraising campaign, Australia's Biggest Morning Tea.

It was a great way to for students to get involved and to help support those affected by cancer, raising

funds and awareness for the Cancer Council.

We were very busy and all of the cakes, slices, pikelets and yummy sweets were a huge hit, we managed to raise over \$300.00. Well done and thank you to all involved including the students who supported this worthy cause.

*Tom Luchetti - SRC Representative*

# Success in Zone Premier's Debating Challenge!

Recently the first round of this year's annual Premiers Debating Challenge was held at LHS.

The Lithgow High School Team consisted of **Christopher Seymour, Keely Newham, Amy Muir and Eli George**.

On the day the team only had one debate due to the other schools in the zone rounds forfeiting. We came up against the very confident Denison College from Bathurst. The team were very convincing in their arguments for the affirmative team on the topic of "should alcohol advertising be banned".

Our team was lucky enough to win the debate which now puts us through to the next round of the Premiers Debating Challenge. It was such a great opportunity to participate in this event that we are all looking forward to moving on to our next debate. The day was a huge success and each and every debater achieved something on the day.

*Chris Seymour - School Vice-Captain*

# SCIENTIFIC EYE

As part of their Stage 5 Science course students are required to study a number of human body systems. Among these is the nervous system and the ways in which it helps to coordinate the body. As a part of this study, students in Year 9 have been carrying out eye dissections in their Science classes. The pig's eyes were donated by Lithgow Free-Range Meats in Mort St and have allowed the students to examine the detailed anatomy of this particular organ in detail. It is important for students to gain the knowledge from first-hand experience in order to make the theoretical concepts more real and understandable to the student and to give them a greater appreciation of the applications of the ideas studied. Students are also able to use the information gained in the eye dissections to help them to understand the behaviour of light as well as the structure of this important sensory receptor. The Science Faculty at Lithgow High School again thanks Lithgow **Free-Range Meats** for their support of our students learning.

# P&C Report

## Message from the Publicity Officer – Sam Luchetti

Recently the P&C Association held their Annual General Meeting; we would like to thank the outgoing executive members for their hard work and dedication to their jobs and welcome the new members to their previous positions for 2016.

**Mrs Kerry Bird** - President

**Mrs Erica Pringle** - Vice President

**Mrs Ann Beutel** - Secretary

**Mrs Tracey Lawson** - Treasurer and **Mrs Sue Murdoch** - Assistant Treasurer

**Mrs Leanne Walding** - Correspondence

**Sam Luchetti** - Publicity Officer

The Lithgow High School P&C Association meets on the first Monday of each month during school terms. It is a wonderful, informal way to get to know LHS executive staff and learn what is happening within the school.

***Hope to see you there!!!***

I am very happy and proud to have been elected as President of Lithgow High Schools P&C from 2013 - 2016, the P&C has worked with the school to improve and support school initiatives during my time as the President. Our established sub committees also provided support, insight and recommendations to further advance student achievement and Lithgow High's standing in the community through policy reviews, attendance at meetings and School Evaluation Team. I would like to take this opportunity to personally thank the small but dedicated group of parents who comprised the P&C committee during 2015.

I am truly grateful to the fantastic members of our P&C for their energy, ideas, passion and hard work. Their selfless devotion to support our students and teachers and their willingness to do anything for our school and its community in their own time should be commended. Many school improvements can be attributed solely to the effort and dedication of the P&C, from beautifying the gardens, painting different areas of the school to making curtains for classrooms. Their hard work and support makes my job as President extremely easy.

It was really great to see new members at the March P&C meeting, but it would be great to see many more. Our meetings are always very informative as well as being lots of fun. So come along and join our great group of parents, have a laugh and learn lots about what's happening in the School.

*Joanne Holmes - Outgoing President*

# CONSTRUCTION

## CONSTRUCTION/BRICKLAYING 2016

Lithgow High Schools Senior Construction Class were given the opportunity to visit the brick laying facilities at Bathurst TAFE. The students were able to undertake the practical skills necessary to achieve part of the course competencies in bricklaying. Under the expert guidance of Bathurst TAFE teacher Peter Moore the students were able to practice some of the basic skills and also learn about the career opportunities available in the bricklaying trades.

The students have benefited from the practical experiences they gained on the day and in appreciation would like to thank both Peter Moore who has continually given up his time over many years, along with the support of Brendan Coyle from the 'Bricklaying Foundation', who made it all possible by helping to fund some of the day's activities.

# National Poetry Competition

Lithgow High School has recently been promoting and students have entered a competition called the Dorothea Mackellar Poetry competition named after the famous poet Dorothea Mackellar who was a famous Australian poet. Her poem my Australian country is widely known around Australia.

All students are invited to participate.

The optional 2016 competition theme is 'Waiting'. The competition was opened on the 1st March 2016 and closes on the 30<sup>th</sup> June 2016, and has already seen a number of people enter the competition. This competition is great for creative people and for people who love to write. We encourage everyone to get in and have a go.

Prizes are:

Junior (7-9): Winner: \$500, trophy and prize pack.

Runner- up: \$300 and prize pack.

Senior (10-12): Winner:\$500, trophy and prize pack.

Runner- up: 300, trophy and prize pack.

All entries should be submitted to Ms Cases by the 31<sup>st</sup> May so she can compile the drafts.

As always the organisers will be looking forward to wonderful poetry interpretation both on a theme or any variety of topics.

Some of our students have kindly allowed us to publish their entries into the competition.

# STUDENT POEMS

An optional theme of 'Waiting' was explored by the students.

'Limerick' by **Maggie Muir** (Year 7)

*There once was girl from Lithgow,  
Who wanted to go to a disco.  
She danced all night,  
Oh what a sight,  
Her partner was a pink flamingo!*

'My Sun, My Spring' extract by **Zac Arkley-Smith** (Year 10)

*His instruments break from his keys to lean against his four paned reminder  
Two naked looking glasses escape his recollection strained brow  
Striving to convince themselves  
Solar rays descend through the panes  
Contradicting his incorruptible memory  
Warming his skin  
Neglecting his mechanical mind*

'Still not here' extract by **Christopher Seymour** (Year 12)

*The drapes grew heavy over the voids of isolation,  
No more waiting, for the taut face knew.  
Over the other side of town lay a woman,  
A large metal box, wasting away,  
Waiting for a second chance to prove its worth.*

# 2016 SCHOOL MUSICAL

Lithgow High School's Musical Production for 2016 is the much loved children's story The Secret Garden. This beautiful story of a little girl orphaned by the cholera in India and sent home to her uncle in England is sure to be popular with audiences of all ages. Set in the mysterious Yorkshire Moors it has all the characteristics of a good adventure story with ghosts and mysterious Indian people as well as being a beautiful love story. This musical requires very good voices and clever musicianship and the lead parts of Archie, Craven, Lily and Mary are all played by very able performers. **Isaac Trounce** and **Christopher Seymour** are both very talented musicians and they are able the, carry off these very difficult roles in a very mature manner. The part of the beautiful Lily is played very convincingly by Brittany Menzies and the part of Mary is played by **Kaitlin Trounce** who is also a talented musician and performer. Supporting roles are played by **Keely Newham, Zac Arkley Smith, Finnian Galloway** and **Caleb Traish**.

A large chorus and many minor roles are also part of this great production. Once again Lithgow Musical Society is giving of their time and talents to help the students. This helps the students to present their show in a very professional manner. Brian and Jan Kinney are accompanying the students with a very difficult musical, score.

Performances begin on Friday 24<sup>th</sup> June with a school matinee at 10am then a public performance on Sunday 26<sup>th</sup> June at 2.00pm. Other public performances are on Tuesday 28<sup>th</sup> June at 7.30pm, Thursday 30<sup>th</sup> June at 7.30pm and Friday July 1<sup>st</sup> at 7.30pm. Produced and directed by Rae Burton this is a show not to be missed.

# PHIL DUNCAN SCHOLARSHIP

**Mr Phillip Duncan** was a student at Lithgow High. He left in 1963 and has since built up a very successful International Insurance Broking Business. In 2002, after a visit to Lithgow High School, he decided he would like to put something back into the school he attended. He decided to donate a Monetary Scholarship to a Year 12 Student. He wanted to encourage students that anything is possible with hard work and ambition. The scholarship is designed to give a school leaver a start in their post school life.

Recently the school received a letter from Mr Duncan with a request to increase the scholarship from one scholarship to two. He has also increased the amount of the scholarship, 1<sup>st</sup> place will receive a cheque for \$2500 and the runner up will receive \$1500. Mr Duncan wishes all Year 12 good luck in their studies and hopes they will work hard and put their best foot forward in obtaining the self-esteem of achievement. He hopes many students are able to apply for his scholarship. The Phil Duncan scholarship recipients will be announced on Year 12 Presentation. Applications will be available during Term 3.

**Next P & C Meeting is at 6.00pm on  
Monday, 6<sup>th</sup> June  
in the Hall Foyer  
You are all very welcome to attend,**

# Crazy for Cubism

Students of 7ART10 at Lithgow High School are pleased to present their fantastic, cubist inspired self-portraits! These students have been working for six weeks, patiently drawing, painting and improving their artistic techniques. Inspired by Pablo Picasso, these self-portraits were made with acrylic paint as students experimented with tone, shape and line. Art teacher **Jessica Leffley** is ecstatic with the final result and would like to congratulate students on their perseverance and dedication to improving their practice. It most certainly paid off! Well done 7ART10!

# Music Review

## *Daft Punk | Discovery | Album Review*

Daft Punk is an electronic music duo consisting of Guy-Manuel de Homem-Christo and Thomas Bangalter. Both musicians originated in France, and joined together in 1993 with their debut single, 'The New Wave'.

Daft Punk's music covers a wide range of genres; electronic, house, funk, rock, dance and more. It is for this reason that I find Daft Punk such an enjoyable band to listen to.

The album contains some of Daft Punk's biggest hits, including 'One More Time', 'Harder, Better, Faster, Stronger' and 'Digital Love'. Discovery is Daft Punk's second album. It was released February 26th 2001 by Virgin Records.

The album was used as a soundtrack to the film 'Interstella 5555'. The film is a visual expression of the album. The clips can be found on YouTube in the form of music videos.

'Discovery' is my personal favourite Daft Punk album, and I would highly recommend it for lovers of any genre.

# Book Review

## The Marvels by Brian Selznick

The Marvels was published in September, 2015 and is written by Brian Selznick author of Wonderstruck (2011) and The Invention of Hugo Cabret (2007).

The story is told through a combination of words and pictures in the style of Selznick's earlier novels and tells the story of Joseph, a boy who after running away from boarding goes to stay with his eccentric uncle and discovers the story of the marvels, a family of actors, artists and authors.

This book is one of my personal favourites and I recommend it to people with a love of stories, history and theatre.

I give it 4 out of 5

# IDA FALLS

When looking for interesting things to do in Lithgow, why not visit **Ida Falls**, a hidden gem just a short 30 minute walk will take you all the way to the falls. To get there you will have to find Inch Street in town and continue along until you come across a tunnel that goes under the hill with the train tracks on it. Enter the tunnel and then follow the path through the field of ferns and enter the spring. When you get into the spring you will be greeted by lush greenery and a small creek to follow, there is almost no way to get lost as long as you stay on the path with the white arrows painted on the stones. The falls are well worth the wait to see with the sandstone having been carved by the constant flow of fresh water and high cliffs to scale there is a lot of things you can do for free, the water is ice cold and very clean. If you are an avid bush walker, this is definitely a track to try and to experience a very beautiful hidden gem within the Lithgow Area.

I recommend allowing two hours for an easy to moderate walk.

So why not have a look around for other interesting and surprising things to do in our beautiful surrounds.

# SPORT REPORT

## New State Champion

Lithgow High School has enjoyed success at State Level in just about every sport - except rowing.

**Callie Capomolla** of Year 8 has just changed that, creating school history by taking out the state Combined High Schools under 15 single skulls championships held at Taree.

She was Lithgow High's only rowing representative and in a demanding day showed her strength and technique by winning her heats, semis final and then the final.

Showing no concerns Callie, who had been rowing for only six months, took on a field of girls from around the state including many Sydney schools who have been rowing for years.

She was glorious in the final powering her skull to victory by a margin of over six seconds and was crowned as the Combined High School girls singles skull state champion for 2016.

When asked how she got into what is a foreign sport around this area Callie said: "I was watching the Olympics and I thought how cool it would be to be out on the water and racing against other competitors.

“One of my friends also rowed, so I thought I would give it a go.”

Callie trains at home on a rowing machine each day for at least 40 minutes and also travels to Bathurst for sessions twice a week on Chifley Dam.

Lithgow High School held a special assembly to congratulate Callie.

Picture on previous page shows PDHPE head teacher Jeff Dean presenting Callie with her trophy and congratulating her on her history making feat within the school and district.

Congratulations Callie on a fine performance, we are all proud of you and your achievements and can't wait to see what the future holds for you!!!!

# RUGBY LEAGUE

Congratulations to **Ben Allan** Year 12, **Harrison Hopkins** Year 9 and **Dylan Miles** Year 8, all were recently selected into the Western Region Rugby League Teams, Ben into the Open Team and Harrison into the U15's Presidents Team.

The boys have been representing LHS and the Western Region, they played at Blayney to make eastern part of Western Region Side. They then travelled to Peak Hill for further training and were selected for the Western Region Side after extra training at Wellington and a game at Gilgandra. Ben was named in the Greater Western Region U18 team after playing against North West Region and was selected after the tournament. Harrison gained selection into the NSW CHS Presidents Western Team after playing at Gilgandra, he will now play at Mynuna Bay which is a 3 day camp later this term. Well done Boys

# Touch Football Report

## Open Boys Touch Football

On the 29<sup>th</sup> April, the open boys touch team travelled to Mudgee to participate in the Combined High School's Western Knockout. The boys played 4 games over the day and beat Nyngan and Cowra convincingly, unfortunately they were unable to hold out the strong Orange team the third game 6-5. The boys qualified for the semi-final again with players missing were unable to defeat the Dubbo team and went down 6-3 to. A massive thank you to Mr Dunn for organising and coaching the boys.

**Toby Kenniff** was selected into the Western Touch Football Team and will represent the school and the Western Region at Ulladulla, CHS Carnival later this term. Congratulations to all of the players and to Toby for being selected into the Western Team

and Matilda Cafe - Press Club*

# Western Football

Congratulations to **Ashton Arnott-Webb**, **Logan Inwood** and **Gerard Roebuck**, the boys were recently trialled and were selected into the Western Region Boys Football Team from hundreds of students in the Western Region. They were up against students from as far west as Riverina and to South Coast.

Travelling to Nelson Bay to compete in the NSWCHS Boys Football State Carnival, the boys were a huge impact on the team from the goalkeeper Gerard, with his amazing skill and agility was able to keep the other teams from scoring many points. Ashton was paramount in the Western team's defence was a pivotal player in making leads. Logan was outstanding as a striker and scored many of the goals during the tournament.

At the end of the carnival the Western Team finished 5<sup>th</sup> overall, the best the Western Region Team has performed in the past few years. The team were victorious over the reigning Champions Sydney East in the play off for 5th

Congratulations to Gerard who was selected into the NSW CHS team at the conclusion of the tournament and was awarded the "**Emerging Country Player of the Tournament**" Gerard will now compete in the All Schools tournament in Sydney in June. We wish him well for the up and coming tournament.

All of the boys had a wonderful time away representing our school and the Western Region, they were fabulous ambassadors of the school both on and off the field.

# VOLLEYBALL

On Friday the 20<sup>th</sup> May the Boy's & Girls' Volleyball Teams travelled to Bathurst to compete in the Western Region Schools' Gala Day. This was the first time in a number of years that the teams had competed and we came up against some stiff opposition, including the defending champions Kelso in both the Boy's and Girls'. Even though the results didn't go our way, both teams performed well and had a heap of fun on and off the court throughout the day. Highlights included the Girls' winning a set but going down in a tight three setter in their final game and the boys reaching double figures in their games against Kelso. Thanks must go to Mrs Galloway for helping with transport and coaching throughout the day and all the parents who helped transport the teams to Bathurst for the day.

# Western Basketball

Congratulation to **Erin Cowie, Geordie Goodwin, Kallan and Kyra Phillips and Meleke Jenkins**, all recently represented the Western Region after their selection into the Western Team during the Western Schools Round Robin knockout tournament in Bathurst. The girls were selected from over 70 girls throughout the Western Region. Of the 10 players selected for the Western Region Team five of the girls were from Lithgow High School, this is unheard of and is a testament to the talent of Basketball within our school

The team Western Region team played at the CHS State tournament in Sutherland and placed 7<sup>th</sup> in the State. A wonderful achievement for the girls, it was a very young team with only one team member, Erin in Year 11, three in Year 10, five girls in Year 8 and young **Meleke Jenkins** in Year 7. Meleke came into the team a shadow player and played amazing, she did the team proud, such a great achievement to represent Western in your first year at high school

The girls represented the school with pride and enthusiasm, they had a wonderful time and made some great new basketball friends from around the region.

*Geordie Goodwin - Year 8*

# GIRLS HOCKEY

Congratulations to our Girls Open Hockey Team, winning convincingly against Bathurst High School 7-0 recently. The girls now progress to the third round of the CHS Knockout tournament to be played later this term.

Four girls from this team were recently selected into the Western Region Team, to play at the CHS State Carnival, **Abby Wilson, Bonnie Goodsell, Tiana Anderson** and **Amber Shaw**. Unfortunately Abby and Bonnie had to pull out of the team due to other commitments and injury. We wish the girls the best of luck at the up and coming tournament, **Kristy-Lee Garland** was the Western Region Representative Umpire, well done girls.

# TENNIS

Lithgow High School Girls and Boys Tennis Teams recently competed in the first round of the Western Knockout Competition against Blayney. The first round was a home game, held at the Lithgow Tennis Centre.

The boy's team consisted of **Bryson Dukes, Jared Clarke, Jake McMillan and Ben Cox**. Altogether the boys played eight games; four singles and four doubles. In the end, they unfortunately lost but played their best throughout the day. The girl's team consisted of **Miranda Swift, Brooke Lewis, Brooke Tilley, Kiara McDonald and Cassandra Rindfleish**.

They also played eight games and won two; unfortunately going down in the end. Both teams played exceptionally well and displayed great sportsmanship. Thanks to **Ms Curran** and **Mr Burton** for organising and attending the day.

# Dubbo Show

Recently, 15 students attended Dubbo Show. We took 10 of our Corriedale Sheep, 6 were lambs from 2015 and 4 adult sheep. Our results reflected those of Sydney Royal earlier in the year, which was very pleasing.

For a number of students this was their first experience of showing sheep and it was great to see them so keen and supportive of each other.

I would also like to thank Alison Grant for giving up her time to assist by being camp mum.

# Preparing for Senior Studies

It is never too late to reflect on your approach to school as a learner. What do you need to do or change or do differently to help you achieve your personal academic best in the senior years?

Our school subscribes to the online study skills handbook site:

**www.studyskillshandbook.com.au** which is a resource to help you develop the skills you will need to make your learning as efficient and effective as possible.

The senior years are not about how clever you are. EVERYONE has the chance to succeed as it is all about knowing what to do and then being able to make yourself do it. This site ensures you have the knowledge you need to do your best in your learning. The nice thing is that each term is a clean slate!

Follow these easy steps to help yourself achieve your personal best:

**Step One:** See Mrs Cross for the Username and Password

**Log into the site using our school's details.**

**Step Two: CLICK ON the 'USING THIS SITE' link AND WATCH THE TOURS AND INTRO VIDEO**

**This will give you a rough idea of what it is all about.**

**Step 3: Refer back to the online study skills handbook on a regular basis to improve your areas of weakness.**

#### ***Please Note:***

***Tutoring is also available in the school library. Please see Kylie Willis or Ann Beutel to book a timeslot. They are based in the school library, please turn over for more information.***

# Tutoring for Senior Students

We are continuing to provide specific tutoring sessions, they are available for all Year 11 and Year 12 students. Our surveys have shown that HSC results improved for students who studied effectively in the library last year.

- Monday, Wednesday and Thursday Afternoon after school from 3.30pm-4.30pm with specific teachers
- Wednesday P5/P6 - English (focusing on interpreting questions, essay structure and creative writing)
- Thursday P6 - Mathematics (help with advanced and general)

Teachers and tutors will be present during these sessions to help students improve their results.

One on one tutoring can also be arranged with **Ann Beutel** or **Kylie Willis** in the school library.

## Reading Buddy Program

Our lovely Press Club are reading buddy for Year 7 Students. The older students take an interest and work with them during the term helping to develop a good relationship. Reading buddies are great role models and assist the younger students confidence building and self-esteem while enhancing reading skills, a great program for all involved.

# Power of Engineering

---

20 enthusiastic girls enjoyed the Power of Engineering day for girls at CSU excursion recently. The girls were provided with the opportunity to explore Engineering Industry experiences and take a close look into different areas of Engineering.

CSU covered the cost of the day including the transport, over 250 girls from the region have attended the day, and engineering for women is going to be a job into the future.

Thank you to **Mrs Hamment** for ensuring our girls get the best opportunities for the future.

# WORKSHOP NOTICE

## SCIENCE – TECHNOLOGY –ENGINEERING -MATHS

## SATURDAY WORKSHOP

Engage in design-based activities using creative technologies. We start with a collaborative design activity, using **Scratch** and **MaKey MaKey**. With Scratch we program our own interactive stories, games, and animations. With MaKey MaKey we create physical interfaces to computers, using everyday objects that conduct electricity (such as fruits or Play-Doh). We learn to not only *use* new technologies, but also *create* our own technologies. This all culminates in a showcase event to share our projects with the whole community.

## Whooping Cough (*Pertussis*)

In recent weeks there has been an increase in the number of school-aged children in NSW diagnosed with whooping cough (pertussis).

Please be on the lookout for symptoms of whooping cough:

a runny nose, followed by a cough, which becomes worse

**(older children and adults may have only a cough that can last for several months)**

a cough that occurs in spasms, which may be followed by vomiting

a cough with a 'whoop' (a sudden noisy gasp at the end of coughing).

In order to prevent further cases, if your child or any member of your family has symptoms of whooping cough please see your doctor and take this notice with you. This is extremely important if there is a baby less than 12 months of age living in the household. Whooping cough can be a serious life-threatening infection for babies.

If your doctor diagnoses whooping cough in its early, infectious stage (within 3 weeks of the cough starting), please advise the school and keep your child at home until they have taken 5 days of antibiotics.

Immunisation reduces the risk of infection, however the vaccine does not give lifelong protection, and re-infection can occur. The vaccine is provided free of charge for infants at 2, 4 and 6 months and again at 4 years. Please check that your child has received this primary course. If your child has not been fully immunised, discuss a catch-up plan with your doctor.

Because protection wanes with time, free vaccine will be provided to Year 10 Students as part of the NSW School-Based Vaccination Program from 2009.

Information on whooping cough is available at

<http://www.health.nsw.gov.au/factsheets/infectious/pertussis.html>.

For more information, please call your local Public Health Unit in Bathurst on 63 395601

If your child has represented at a high level of achievement in any vocation and you would like it acknowledged through LHS, please email the school on:  
[Lithgow-h.school@det.nsw.edu.au](mailto:Lithgow-h.school@det.nsw.edu.au) with the relevant information.

# UNIFORM

Alinta Apparel is open for purchasing the school uniform and accessories. An added advantage to purchasing your uniform from the Uniform shop is the financial benefit that the school receives. This allows the school to help many struggling families, providing them with the necessary uniform.
